

## **Bob Lee - BSMB Organiser**

*“Bishop’s Stortford Means Business is the largest event of its kind in the area, running since 2001. I have held it at South Mill since 2005. There are many issues to manage in running an event of this nature, but the team at South Mill go out of their way to help. Nothing seems to be too much trouble for them. It is very much my favourite venue.”*
